FULMINATION
2025

TOGETHER, TOWARDS TOMORROW.

INTRODUCTION

The Institute of Explosive Engineers (IExpE) is the natural home for anyone working within the explosives industry. IExpE prides itself on promoting best practice and therefore fostering the highest standards across all areas of the explosives industry.

IExpE is the professional body for the explosives industry enabling and promoting consultation between individuals, professional private organisations, government departments and armed forces experts.

By bringing all sectors of the industry together Fulmination 2025 will provide greater networking opportunities to drive the industry together, towards tomorrow.

FULMINATION 2025

Tuesday 10th June - Thursday 12th June 2025

Fulmination 2025 – The all encompassing event for all sectors of the explosives industry. With the success of Fulmination 2023 IExpE want to ensure that you join us on this journey as we continue to achieve together, towards tomorrow.

Fulmination 2025 will take place at The East Midlands Conference Centre & Orchard Hotel. The East Midlands Conference Centre offers state-of-the-art meeting and event spaces, banqueting suites and magnificent, contemporary public spaces for networking and pre-drinks.

Your continuous support to IExpE and the Industry has not gone unnoticed, so we have the honour of asking you first to be one of our lead sponsors for the industry event of 2025.
